

The diagram illustrates a page layout with a central grey area and two red content blocks. On the left, a large red rectangle is labeled 'Contents'. In the center, a grey rectangle is bounded by dashed lines, with a horizontal dimension line indicating a width of 104 mm for the 'Text and image' area and 109 mm for the 'Area'. On the right, a vertical stack of elements is shown: a red block labeled 'Contents' at the top, a grey block in the middle, and another red block labeled 'Contents' at the bottom. A vertical red hatched bar on the far right is labeled 'Not visible when closed'.
