Edge

The diagram shows a vertical stack of four sections. The top section is labeled 'Edge' and is bounded by a dashed red line above and a solid red line below. The second section is labeled 'Front side' and is bounded by a solid red line above and a dashed red line below. The third section is labeled 'Edge' and is bounded by a dashed red line above and a solid red line below. The bottom section is labeled 'Adhesive surface' and is a solid red rectangle with diagonal hatching, bounded by a solid red line above and a solid red line below.
